

YOUR SAFETY OUR PRIORITY

Client One is dedicated to an engaging Summit —
keeping your health a priority.

Rest assured we have precautions in place to protect your health. It's a different time, we've learned a lot, embracing all things virtual and maybe we're still slightly wary of handshakes.

As a society, we've adjusted, vaccine's trials are ongoing, and it won't change us forever. That's why we're keeping the Summit on track. Our partners are dedicated to that goal, too. Together, with our event partners we're continually adjusting and adhering to CDC standards by taking precautions to keep you safe.

We're following COVID-19 best practices as outlined by the U.S. Centers for Disease Control and Prevention.

CDC'S GUIDELINES ON EVENTS

Click here for a full list of the CDC's guidelines on events.

There's no telling what the future holds; however, whatever comes next, we'll be there with you. We're continuing to monitor the situation for changes and will communicate with you as soon as new developments are announced by the CDC.

WHAT YOU CAN EXPECT

- Cleaning and disinfected - between sessions.
- Masking up for the Summit.
- Intimate breakout sessions: to meet maximum capacity room requirements.
- A change-up in our exhibit hall.
- A new look to happy hour mingling.
- Midwest themed wide-open spaces to boot.
- Hand sanitizing stations.

You can expect this to change as new guidelines are announced.
